

Air Dryer (AH-20SG)

Technical Data AH-20SG Air Dryer	
Description	Data
Model	AH-20SG
Ambient Temperature	25°C
Air Temperature at Inlet	$\leq 60^{\circ}\text{C}$
Cooling Model	Air Cooling
Air Flow m ³ /min	2.5m ³ /min
Air Flow CFM	88CFM
Inlet Pressure	0.4MPA - 1MPA
Loss of Pressure	$\leq 0.02\text{MPA}$
Voltage	220V
Dew Point	2°C to 5°C
Pipe Diameter	R1 1/2"
Voltage	220V
Power	0.73KW
Dimensions	730MM X 420MM X 760MM
Weight	60KG

Terms & Conditions

Warranty :	One Year
Terms of Payment :	Payment before delivery, or shipping.
Installation :	Not Included, To be installed by local qualified Compressor Mechanic
Training :	No training included, comprehensive user manual included, easy operation.
Delivery :	Delivery in Polokwane, and Central regions of Johannesburg and Pretoria is included.
